THE DOCTOR'S QUESTION

Much Sickness Due to Bowel Disorders.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Reckall Orderlies are a positive, pleasant, and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

Reckall Orderlies are eaten like candy, they act quietly, and aid in producing a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea, or other annoying effect. They are especially good for children, weak persons, or old folks. Three sizes, 10c, 25c, and 50c. Sold only at our store — The Reckall Store, Benson, Smith & Co., Ltd., Fort and Hotel streets.

Some people practice economy but neglect to learn it.

If more men had self-reliance there would be far less demand upon the resources of our charitable institutions.

ALGEROBA BEAN FROM MOLOKAI

Tons of algeroba beans, to be utilized in the manufacture of cattle feed, formed an interesting item in the varied cargo brought to Honolulu early Sunday morning with the arrival of the Inter-Island steamer Mikahala, from Maui, Molokai, and Lanai ports. The steamer carried 1430 sacks of the beans, which represented the work of hundreds of men, women and children on the island of Molokai and Maui in gathering the scattered beans as they drop from the trees.

The birth of an infant industry in this city, which has to do with the preparation of the bean as an article of food for stock, has brought about a considerable traffic in the bean from the other islands.

Maui and Molokai, however, take the lead in the shipment of the beans to this city, and the consignment received yesterday is in many ways a record breaker.

The Mikahala returned from her regular run with freight including 55 bales hides, a quantity of empties, 34 head cattle, 65 hogs, 13 crates chickens, 2 horses, 189 packages sundries, 100 sacks charcoal and 124 sacks paddy.

Her officers report the Matson Navigation steamer Hilonian taking on sugar and discharging general cargo at Kahului. All sugar at Olowalu plantation warehouse has been cleaned out, none remaining for shipment.
